TRIESTE • VIA GIULIA 77 • 9TH FLOOR WITH LIFT

Top Floor Facing the Karst with Covered Parking

108 m² (cadastral area) on the 9th and top floor, energy class B (2024 certificate): terrace with views of the Karst, a glimpse of the sea from two bedrooms, independent heating and 110% Superbonus works already done (external insulation, triple-glazed windows, security door and boiler).

- 9th and Top Floor, Open Views
- 108 m² Cadastral (6 Rooms)
- Covered Parking Space S1 (13 m²)
- Class B (59.09 kWh/m²a)
- IPR Triple-Glazed Windows (Ug 0.5 • Bora wind class 5)
- "Il Giulia" shopping centre (PAM) 30–40 m away • Buses 6, 9, 35
- Surface Right 1/1 (Conversion at €0 Approved)

Real photo from the 9th-floor terrace: open view of the Karst.

Living area with uniform sand-coloured porcelain stoneware flooring.

5 KEY STRENGTHS OF THE HOME

1. 9th and Top Floor (Views & Light):
Above, there is only the large shared roof terrace with the solar panels: no neighbours upstairs. Traffic stays far below, muffled by the triple glazing.

2. Private Covered Parking Space S1 (13 m²):
An owned parking space, rare in this area. The lift goes from the 9th floor down to the entrance hall; from there, 2 flights of indoor stairs (14 steps) lead down to the garage.

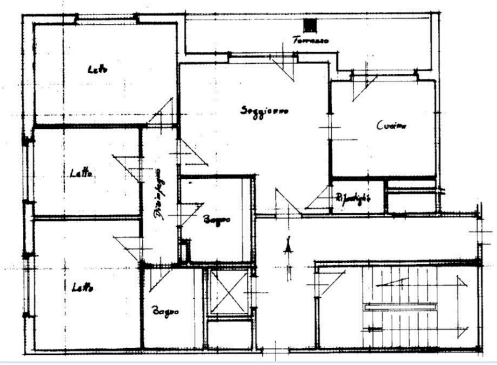

3. Class B & 110% Superbonus Works Already Done:
External thermal insulation all around the home, triple-glazed windows, security door and condensing boiler (2022–2023). Already among the most efficient classes under the EU green homes directive; class B lets you apply for a green mortgage, on the bank's terms.

4. Ramp Access & Everything on the Doorstep:
No steps all the way to the flat: a ramp up to the entrance and a lift to the 9th floor. The "Il Giulia" shopping centre (PAM supermarket) is 30–40 metres from the door, almost all under cover (just one short open stretch); the stop for buses 6, 9 and 35, to the city centre, the station and the sea, is about 60 metres away.

5. Legal Certainty:
Conversion to full ownership already approved at €0 by the City of Trieste (notarial agreement pending); free sale price, with no PEEP restrictions; planning compliance certified by an architect.

An extra safeguard for the buyer: Trieste uses the **land register system (Libro Fondiario)**: ownership passes on registration, which a judge checks beforehand. The flat will be vacant on completion.

OFFICIAL CADASTRAL FLOOR PLAN (108 M²)

ROOM	SIZE / USE
Living room (20.2 m²)	Opens onto the north-facing terrace, Karst views
Eat-in kitchen (10.5 m²)	Straight-line kitchen with a French door to the terrace
Terrace (11 m²)	Long loggia-style terrace, about 8.5 × 1.5 m, Karst views
Karst Room (14.5 m²)	Double bedroom with a window onto the Karst and a sage-green 4-door wardrobe
Study (9.5 m²)	Single bedroom or study, floor-to-ceiling wardrobes and a glimpse of the sea
Sea Room (14.3 m²)	Double room with a glimpse of the sea from the west window
Large bathroom (5.2 m²)	Full bathroom with bathtub
Small bathroom (4.4 m²)	Hydromassage shower, FM radio and LED light
Parking space S1 (C/6)	13 m² (cadastral) in the covered garage

ACCURATE 3D ISOMETRIC CUTAWAY

On the sales website you can explore the 3D model freely, with three renovation ideas (La Classica, La Famiglia and Il Loft), the 360° tour and the videos.

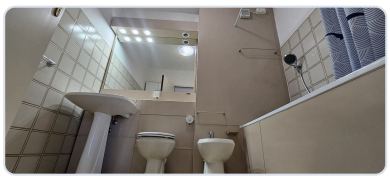

Uniform sand-coloured stoneware floor in the living area and bedrooms.

Ready to Move In, or to Transform

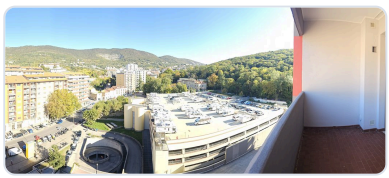

The flat is **ready to live in**. You can simply freshen it up (warm-toned paint and new lighting: roughly €2,000) or transform it: the 3D cutaway on the website shows three ideas, from the most classic to a loft. Renovation work qualifies for the tax deductions in force at the time.

Small bathroom
Shower with back massage jets, colour light therapy and FM radio.

Large bathroom
Bathroom with bathtub and a large wall mirror.

A Terrace to Live On
Terracotta clinker floor, Pompeian-red pillar and Karst views.

Certified installation to UNI 11673-2 (IPR level IV team leaders, Würth tapes and Soudal foam)		Professional installation
OFFICIAL CONTRACTUAL WARRANTY ON THE INSTALLATION		10-YEAR WARRANTY

ENERGY PERFORMANCE CERTIFICATE 2024–2034 (CLASS B)

OFFICIAL CENEDFVG CERTIFICATION

ENERGY CLASS B

EPgl,nren: **59.09 kWh/m² per year** (certificate 2024-2034)

~ €600 / year

Estimated gas heating cost

ENERGY INDICATOR	VIA GIULIA 77 (CLASS B)	TYPICAL 1960S–80S FLAT (CLASS G)
Annual gas use	**486 Sm³ / year**	1,600 – 2,100 Sm³ / year
Heating cost	**~ €580 – €680 / year**	~ €1,900 – €2,400 / year
Savings over 10 years	**~ €12,000 – 18,000 over 10 years** (estimate at current gas prices)	
EU green homes directive	**Already among the most efficient classes**	Among the first homes due for renovation
Own boiler	**Viessmann Vitodens 100-W 25 kW (2022), Wi-Fi**	Often central or outdated

EPC code **3200600981824** (Insiel ref. TS1-REGAPE-2024-0037290-A), registered on 21/10/2024, issued by System Mind S.r.l. (Per. Ind. Diego Piazzolla).

Sound Insulation & Bora Resistance

The laminated triple glazing 33.1/12Ar/4/12Ar/33.1 gives a sound reduction of **33 dB** and has warm-edge spacers. The shutters and frames are certified to **wind-load resistance class 5**: built for Bora gusts.

Stark Security Door & Mottura Champions Lock

Certified burglar-resistant door, **class 3 (UNI EN 1627)**, with a stainless-steel perimeter cover, 11 locking points and a Mottura Champions CM5+1 euro cylinder with 5 sealed master keys, a "Seconda Vita" emergency key and an ownership card.

LAND REGISTER AND CADASTRAL DATA (FROM OFFICIAL EXTRACTS)

Cadastral municipality	Trieste (code L424) • Sez. V, Fg 13, Part. 7011
Flat (Sub. 50)	**Cat. A/2** (standard residential), class 3, 6 rooms, cadastral area **108 m²** (104 m² excluding open areas), cadastral income €945.12
Parking space (Sub. 189)	**Cat. C/6** (garage), class 3, area **13 m²**, income €88.62 (level S1)
Title	Surface right 1/1 held by **LAURENTI Marco**. Conversion to full ownership already set and accepted at €0.00 (City of Trieste ref. 0018927/2026), notarial agreement pending
Sale price	Free, with no PEEP price restrictions
Purchase taxes	~€2,490 main home · ~€11,820 second home (on the cadastral value, "prezzo-valore" rule; to be confirmed by the notary)
Planning compliance	Planning compliance certified by an architect; land register and cadastral records match
Building charges	About €1,100–1,200 a year, including water (the flat has no separate meter), lift and common areas: lower than usual thanks to the building's existing solar panels on the roof. Heating is independent and paid separately.

RENTAL YIELD FOR INVESTORS (BUY-TO-LET)

Estimate based on the Trieste local rent agreement (zone 3, sub-band 2):

Agreed-rent lease 3+2	**€1,081 / month** (€12,973 / year)
Reduced tax	**10% flat rental tax (cedolare secca)** (instead of 21%)
ILIA municipal property tax	**25% reduction by law** in Friuli Venezia Giulia
Estimated net after flat tax and ILIA	**~ €10,838 / year net**
Open-market lease (4+4)	€1,300 / month (~ €11,230 / year net at 21%)

Estimate before maintenance, insurance and any empty months; ordinary building charges are normally paid by the tenant. To be checked with an accountant.

DIRECT PRIVATE SALE: HOW TO MAKE AN OFFER

The sale is handled **directly with the owner, Marco Laurenti**, with no agency: no commission for either seller or buyer.

In the written offer, just state:

1. **the amount offered**;
2. **how you will pay**: cash or an already approved mortgage;
3. **when you would like to complete**.

Once the offer is accepted, the preliminary contract is signed with a deposit; completion then takes place at the office of the **notary chosen by the buyer, in Trieste**, who also checks the land register.

DIRECT CONTACT WITH THE OWNER & PRIVATE VIEWINGS
